

600 SERIES

Bowers & Wilkins

The new 600 Series from Bowers & Wilkins transforms your home with pristine sound. Since 1966, we've made technological advances to design the perfect loudspeaker, and our latest innovations bring that heritage to music and movie lovers alike. The 600 Series includes three subwoofers, ranging from the compact ASW608 to the powerful ASW610XP. Each boasts an audiophile-standard, highly efficient Class D amplifier to capture every spine-tingling, water-shaking sound that you hear. Each of our subwoofers are finished to match the rest of the series, with beautiful matte black and white to seamlessly integrate with your home. With the sixth generation of the 600 Series, you can truly transform your space into a beautiful sound session.
